

Fire Guard Measurements

Please fill in the dimensions for your fireguard so we can calculate the price of a Standard 3-Sided (A,B,C) or 5 sided Standard Fireguard (A,B,C,D,E)

NB: All measurements should be taken to the outside of the hearth, whether your fireguard is to sit on the hearth or to sit around the outside.

Please tick which option-

Fireguard to sit on top of hearth

Fireguard to sit on outside of hearth

Optional extra—Fire guard gate

Optional extra—wooden top

We custom make the fireguard to suit your exact requirements

Fire guards will be made to the measurements you provide us with so it is the customer's responsibility to ensure these are accurate. Payment is required to confirm the order prior to manufacture.
